Travel Bidet

- Clean and Hygienic - Keep your private and rear parts clean at home, office or wherever you go. It is suitable for children, adults and the elderly. It is particularly helpful to ladies as a female douche, during menstruation, pregnancy etc to keep a high level of hygiene
- Extra Long Angled Nozzle - This long and 9-holes nozzle help precisely to aim a jet of water at the area you want to clean
- Easy to Use - Simply fill the bottle with water and just squeeze it. Make sure to pull the Nozzle out fully and tightly until air tight otherwise it might leak
- Portable Design - The nozzle is retractable. When the neck is collapsed, the bidet halves in the size. 450 ml. (15 oz) capacity for effective cleansing, yet light in weight for carrying it around
- Save Paper - It prevents clogging, prevents septic tanks from getting clogged by reducing or eliminating the use of toilet paper
