Massage Supplies

NatureSooth Wooden Spike Roller Acupressure Massager

- Manual wooden acupressure roller based on ancient acupuncture/ acupressure therapy; handcrafted from durable and quality wood; finished with a thin layer for polish- safe to be used directly on the skin; best tool for a natural massage effect.
- Carved acupressure spikes, carefully structured on each roller – ensures organic, earthy, gentle and continuous pressure on trigger points to knead out tensioned and stressed muscles - giving a relaxing massage.
- A long and sleek handle ensures a comfortable grip; smooth functioning roller wheels allow for an effortless movement- easy to work for a long time; self-use ensures an increase in the energy levels and comforts the body.
- Benefits for multiple body parts by stimulating blood circulation and relieving stiff muscles and joint pain; helps in quick relief from neck and forearms pain – highly recommended massager for shoulder, back, and sciatica pain and even for easing strained nerves of the fingers and joints
- Light in weight and easy to travel with; available in natural wooden color, length of the massager 25 CM (approx.)

FootEase Kansa Vatki with Handle for Foot Massage

- **ROBUST MATERIAL AND IMPRESSIVE DESIGN** - Made from a perfect combination of metals like copper, tin, each holding their natural and specific healing properties- it aids in toning the body. This massage wand is designed as per the ancient Ayurvedic beauty principles with a carved wooden handle for easy grip and a dome-shaped pure bronze metal cap.
- **NATURALLY FLAMED AND ABRADED SURFACE** - The dome surface is adequately roughened to provide the most effective stimulation and massage without hurting the skin; provides massage as per Ayurvedic principles
- **BENEFITS OF KANSA WAND AS A FOOT MASSAGER** - Since feet have nerve endings of all the body parts, this Kansa wand focuses on the lower leg and feet, stimulates and induces lymph movement and drainage in the entire body; helps balance spirit, body, and mind providing an overall rejuvenation.
- **CONVENIENT TO USE AND CARRY** - Being compact in size (length 14 cms; cap diameter 8 cms.) can be easily carried anywhere; a durable and manual massage tool that is safe and exceptionally effective for people who spend a lot of time walking.
- **SIMPLE TO USE** - provides gentle yet effective pressure on marma points and chakras; the bronze metal cap helps draw out excess ama and heat, resulting in a relaxed and cooler body; use of clarified butter or ghee is preferred

Kansa Face Roller – Premium Bronze Face Massager

- Quality and Sustainable Material - Made from pure bronze (kansa); loaded with natural skin benefiting and detox properties of bronze; robust Sheesham wood used as its frame and handle; skilfully handcrafted face massager with a comfortable palmar grip handle; features one bigger roller on the top and small one at the end held by zinc alloy braces- rust-free.
- Organic Ayurvedic Massage Tool- Perfect for daily skincare routine; thoughtful design that allows mild and even pressures on the skin; highly polished rollers with even and smooth surface- ensures thorough detoxification giving a visible glow.
- Recommended Anti-Aging Tool- Massage around eyes to relieves puffiness, helps in face-lifting, best for facial massage, burns extra chin fat – effective for double chin and face shaping
- Handheld / Manual Massager- Easy to use daily; aids in skin rejuvenation by effectively absorbing applied oil and cream in the skin pores; reduce facial lines on the forehead and laugh lines, dredging the meridians while balancing chi.
- Portable And Light- Light in weight, easy to travel with or carry anywhere, practical home massage tool for facial; relaxes the nervous system, improves blood circulation, manages collagen production, and helps reduce blocked lymph nodes.
